

Cyprus Site Visits – 2023

INVITATION - THURSDAY 06 JULY 09:30 AM

The Cyprus Water Association (CWA), in collaboration with the Cyprus Young Water Professionals (CYWP) team, invites you to a technical visit at the Wastewater Treatment Plant of the Larnaca Sewerage & Drainage Board (LSDB) (<https://www.lsdbs.org.cy/>). The site visit will take place on **Thursday, July 06, 2023, between 9:30 am and 12:00 pm**. During the visit, participants will have the opportunity to take a guided tour at the premises of the plant and attend a comprehensive presentation regarding the operation and other activities of the LSDB. **The tour and the presentation will be in Greek.**

Attendees are required to arrange their own transportation to the location. The presentations and tour will commence promptly at 09:30 AM. Due to limited availability, we kindly request that you complete your registration by June 30, 2023. Priority will be given based on the date of registration.

This visit is part of the ongoing efforts between CWA and CYWP to bring together professionals from the academia and the private and public sector aiming to foster knowledge exchange regarding water and wastewater management while considering sustainability and protection of the environment.

To register, please send us an email to info@cwakys.com or cywp@cwakys.com.
